

MYANMAR

Railway Rivals Map

Version 0.2

by Richard Smith 2026

For 3-4 players

Start at Myitkyina, Kengtung, Sittwe or Dawei (one each).

Special Runs:

1 Bangladesh

2 India

3 China

4 Laos

5 Thailand

6 Any town with a local airport

(Mandalay, Naypyidaw and Yangon have international airports. The other town in the race can be one of the airport towns).

Notes

- = Plateau. Mountain to plateau, and plateau to plateau no extra cost when building or racing.
- = Protected Rain Forest. Companies must pay 1 per half-hex when building - no effect on racing.
- Companies may not build outside Myanmar except for a half-hex over the border for special run connections. These connections can be made from any non-mountain hex (plateau is allowed).
- Standard scoring, no leapfrog.
